Sir,

Adverting to the Government Proceedings No. 426-7/S.R dated 21st July 1904 sanctioning the retention till the end of June next of the frontier patrol party at the Kolar Gold Fields at a monthly cost of Rs 89, I have the honor to state that the establish-ment has been instrumental in putting down malpractices and thereby increasing licit sale of arrack

arrack from 61,437 gallons to 77414 gallons upto 4th instant the place has been made too hot for the illicit manufacture and vendt of liquor and the Deputy Commissioner reports that since the constitution of the patrol party "illicit distillers have removed their scene of illicit distillation eyond the Mysore boundaries and that there are no evidences of any illicit distillation going on in Mysore now"

2 Owing to the rise in the retail price of ganja from 1 to 2 annas per tola, the illegal cultivation of it has now been on the increase and the party under reference has been able to detect 4 cases within a short period of 4 months and it has been brought to notice by the British

Authorities

authorities that ganja is smuggled into the Bowringpet Taluk from Venkatagiri Kote and other places of theirs

3. The retention of this establishment for some years is therefore absolutely necessary and I beg to solicit the favor of early sanction for continuing the same for a further period of two years. I have the honor to be,

Sir,

Your most Obedient Servant
